THE DEPUTY MINISTER IN THE MINISTRY OF WELFARE (SHRI GIRDHAR GOMANGO): (a) Yes, Sir.

(b) to (d) A statement is attached.

Statement

For the development of Scheduled Cast-'.., a new strategy was evolved and implemented during Sixth Five Year Plan. It is a combination of the three instruments, viz. (i) the Special Component Plans of the States amd Cemtral Ministries (SCP); (ii) the Special,Central Assistance (SCA); (iii) Scheduled Caste Development Corporations in the States (SCDP) . The Special Component Plan i_s designated to channelise the flow of benefits and outlays from the general sectors in the Plans of the States and Central Ministries for development of Scheduled $Caste_3$ both in physical and financial terms. These Plans are envisaged to help the poor Scheduled Caste families belonging to all the major occupational groups among them through composite income generating programmes, to imiptwre their living conditions by providing infrastructural development in their basties, s«cfc as drinking water supply, link roads etc. and to take up special programmes for the welfare of vulnerable groups among them such as. sweepers and scavengers, bonded labourers, nomadic|semi-nomadic and denotified tribes among them. The participation of the non-governmental 70-

luatary agencies is also sought. Twenty States and four Union Territories with .'iiaeable Scheduled Castes population have formulated their Special Component Plans, likewise, nine Central Ministries have ajso drawn up their Special Component PJan. The Special Component Plans of tbe States are supplemented with Special Central Assistance with a view to creating a multiplier effect and helping fill the gap* which the normal financial flows (from the Central and State Plans were n»t able to fill. The main function, of the Scheduled Caste$_s$ Development Corporations in the States is the mobilisation of institutional credit for tie economic development schemes of the Scheduled Castes entrepreneurs by functioning as catalysts, promoters and guarantors. So far, 18 States and 3 Union Territories with sizeable population of Scheduled Castes have set up such Corporatioi

While th© strategy of the Special Comjnusent Plan will continue during Seventh Ffre Year Plan with greater thrust on socio-economic development of Scheduled Castes, a major task in the Seventh Plan will be the removal of deficiencies in the formulation and implementation of the piagrammes a$_s$ experienced during Sixth Fiw Year Plan and to take reform measures in relation to Administration, implementation, monitoring and evaluation of programmes. During Seventh Five Year Plan, it is proposed to assist economically o«Jy 50 per cent of the Scheduled Caste families to enable them to cross the POTerty line through anti-poverty programmes.

For the development of Scheduled Tribes the comprehensive programmes are taken up under (a) Integrated Tribal Development Projects (b) Modified Area Development Agency, (c) Primitive Tribal Projects, and (d) Clusters of Tribal Gro ups. The programmes- focus On various beneficiary oriented programmes in sectors is horticulture, animal husbandry, minor irrigatj '.ulture, upgardation of tribal . ra Daring the Seventh Five Year PV additional objectives hav$_e$ been add;d, namaly (si) focus on. vnln lag and groups, e.g. primitive tribal groups, nomadic groups, shiftier cultivators, forest villagers, displaced families, migrant labourers and tribal women (b) upgradation of degraded environment of tribal areas which have been depleted of its natural resources such as soil, forest, fuel, grass, fodder etc The Seventh Five Year Ptea envisages assisting 40 lakh families undo* ihe poverty alleviation programme so aa bring them eventually above the poverty* line.
